

POSITIONING

The channel for cooking enthusiasts

JUST COOKING is a German-language linearly structured on-demand channel with modernly produced cooking shows, documentaries and broadcasts about food and cooking.

A so far not yet existing channel, which closes a gap in the German market.

PROGRAM

Top actual, dynamic and up to date

JUST COOKING bundles professionally produced programs from different providers, supplemented by fresh content from Content Creators.

The offer is flanked by high-quality in-house productions and a comprehensive recipe database.
