
Top pure Lounge Sounds

Special interest music channel with lounge sounds to high-definition nature shots.

DELUXE LOUNGE Radio - all major aggregators

Pure relaxation for eyes and ears

High quality footage of beautiful landscape and city shots combined with fantastic lounge music (Down Beat, Chill Out, Ambient)

Complemented by modern, trendy clips such as NASA footage and LoFi vibes.

Switch off, music on - Relaxed target group

Target group is adult, experience-oriented, well paid, urban socialized and a little elitist

Music serves as a means of deceleration and is seen as a positive background with understatement
